Dear Sir:

Pursuant to 37 C.F.R. §§ 1.97 and 1.98, applicants wish to bring the following information to the attention of the Examiner in connection with the subject application. A copy of each non-US Patent citation is attached, as is Form PTO-1449, on which the citations are listed.

Pursuant to 37 C.F.R. 1.97(e)(2), applicants state that no item of information in this Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application and, to the knowledge of the person signing this Statement after making reasonable inquiry, no item of information contained in this Disclosure Statement was known to any individual designated in §1.56(c) more than three months prior to the filing of this Disclosure Statement. This document is being filed in a

CERTIFICATE UNDER 37 CFR 1.8

I hereby certify that this document is being transmitted to the United States Patent and Trademark Office via facsimile addressed to Examiner Robert T. Dang at 571-273-8300, on this 9th day of February, 2006.

timely manner and, therefore, applicants believe that no fee is due. However, if any fee is due, please charge the fee or any additional amount required for filing this document to our Deposit Account No. 19-3875. A photocopy of this authorization is provided for accounting purposes.

Applicants believe that no fee is due, in as much as there has been no final office action under §1.113, notice of allowance under §1.311, or other action closing prosecution of this application. However, if any fee is due, please charge the fee or any additional amount required for filing this document to our Deposit Account No. 19-3875. A photocopy of this authorization is provided for accounting purposes.

This Disclosure Statement is not intended to substitute for the Examiner's own search. It is believed, however, that this Disclosure Statement will assist the Examiner in the search. The Examiner is expressly requested to review each item cited herein and to make all of the cited items of record in this case as having been considered. The completed Form PTO-1449 is attached for this purpose.

Citation of the items herein is not to be construed as an admission that the information is within the scope and content of the prior art relevant to the present invention, that the information is prior in time to a particular date which may be relevant to the present patent application, that the information is otherwise prior art with respect to the present invention, or that the information cited is material to the claims. In addition, applicants reserve the right to later set forth how the present invention is distinguished over the disclosure of any document or other prior art, including the information cited herein.

Respectfully submitted,
